

Evergreen Lodge No. 222 F & AM
 Conneaut, Ohio
 Meetings held the 1st and 3rd Thursdays of the month
 April/May

NICKEL PLATE ROAD

HISTORICAL & TECHNICAL SOCIETY

Nickel Plate Night on May 2nd, 2009

The officers and brethren of Evergreen Lodge #222 would like to cordially invite you to our annual Nickel Plate Night. Please mark the first Saturday in May, the 2nd, on your calendars to attend this time-honored tradition, hosted by Evergreen for the 65th year.

Please join us as we pay honor and say thank you to all railroaders who have helped make Freemasonry the wonderful fraternity that it is today.

Lodge will open promptly at 5 PM for the first section. Refreshment and dinner will follow in the dining hall at 6 PM, and we will resume labor for the second section at 7 PM.

#8 → A Swiss Steak Dinner will be served by the Rose Chapter, Order of the Eastern Star. Please contact the lodge office, or any of the officers if you would like to make reservations. (due by April 27th.)

Dress attire for the night will be casual, as many of the brethren will be wearing railroad attire (bib overalls, blue jeans, flannel shirts, etc.)

Another item to keep in mind is a visit to the Conneaut Historical Railroad Museum, located three blocks north of the lodge at 363 Depot St. The museum does not officially open until Memorial Day, but will be open from 3 - 4:30 PM on May 2nd for Evergreen. This is a very nice museum located in the original depot, something well worth visiting if you are in town. There is no charge for admission.

Conneaut Historical Railroad Museum

Richard F. Ingram W.M.
 Welfare

Please contact the Worshipful Master, Wardens, Secretary, or lodge office if you know of a brother who is sick, needs help, or just needs a ride to lodge.
